

The David Lytle Memorial Foundation was established in memory of David Lytle, who passed away suddenly on June 16, 2007. A group of David's friends gathered shortly after his funeral with the intent of capturing the amazing spirit and attitude that Dave so generously shared, and enable other physically challenged people to achieve their dreams.

The David Lytle Memorial Foundation is a non-profit charitable organization dedicated to helping, enriching, and inspiring those with spinal cord injuries to live life to the fullest.

For more information, please contact Karen Rice at 330-410-4343

The David Lytle Memorial Foundation is registered with the Ohio Secretary of State as a nonprofit corporation and has received tax exempt status under Section 501(C)(3) of the Internal Revenue code.
